PROGRAM TERMS & CONDITIONS:

QUALIFICATIONS

- The qualifying equipment must be installed in a commercial North Dakota building served with electricity from Montana-Dakota Utilities Co. (Montana-Dakota)
- This rebate program is **not** available to gambling establishments, aquariums, zoos, golf courses, swimming pools, state government, municipal (city/county) government or public schools.
- Montana-Dakota uses ENERGY STAR® listings to determine eligibility of the equipment. You can access this information at www.energystar.gov.
- Dealers/contractors/builders are not eligible to receive their customer's rebate.
- All commercial high efficient motor rebate requests are capped at a maximum rebate level of \$15,000 on the equipment purchased (rebates are not issued on the installation costs).
- Equipment installed under warranty replacement does not qualify for the rebate.
- The electric commercial high efficient motor rebate is limited to one motor and one VFD unit per customer.

APPLICATION REQUIREMENTS

- The rebate application must be completely filled out with the purchaser information.
- Equipment information (**including a sales invoice/receipt with the brand, model number, serial number and installation date**) and contractor information.
- Montana-Dakota is unable to accept applications that do not include all of this information.
- It is the responsibility of the contractor and purchaser to ensure that the installed equipment qualifies for the rebate.
- Mail the completed application including a copy of the dealer invoice to:

**Montana-Dakota Utilities Co.
Attn: Market & Sales Support
400 North 4th Street
Bismarck, ND 58501**

- If the equipment does not qualify, no rebate will be paid.

INCENTIVE PAYMENT DETAILS

Rebates will be issued for equipment purchased and installed between June 1, 2010 and December 31, 2011. Funding is limited and rebates will be paid on a first come first served basis. Montana-Dakota issues rebate payments in the form of checks, not utility bill credits. Montana-Dakota is not responsible if the dealer does not provide accurate information about the amount of rebate or equipment eligibility. Please allow 4-6 weeks for incentive processing.

This rebate program is funded through the American Recovery and Reinvestment Act and administered by the North Dakota Department of Commerce Office of Renewable Energy & Energy Efficiency.

This Material is based upon work supported by the Department of Energy under Award Number(s) DE-EE0000142.
