PROGRAM TERMS & CONDITIONS:

QUALIFICATIONS

- The qualifying equipment must be installed in an existing South Dakota building that is served with or converting to Natural Gas from Montana-Dakota Utilities Co. (Montana-Dakota).
- The building must be served under Montana-Dakota's Firm General service rate 70 or 76.
- This incentive is available on natural gas furnaces under 125,000 Btuh.
- Montana-Dakota uses ENERGY STAR® listings to determine eligibility of the equipment. You can access this information at www.energystar.gov.
- Contractors are not eligible to receive their customer's incentive.
- Equipment installed under warranty replacement does not qualify for the incentive payment.
- **ENERGY STAR rated Furnaces:** Incentive applies to the replacement or conversion of an existing efficiency (**80% AFUE rating or less**) furnace with an ENERGY STAR® rated (**92% AFUE rating or greater**) natural gas furnace.

APPLICATION REQUIREMENTS

- The incentive application must be completely filled out with the purchaser information.
- Equipment information (including a sales invoice/receipt with the brand, model number, serial number and installation date) and contractor information.
- Montana-Dakota is unable to accept applications that do not include all of this information.
- It is the responsibility of the contractor and purchaser to ensure that the installed equipment qualifies for the incentive.
- Mail the completed application including a copy of the dealer invoice and/or sales receipt to:

Montana-Dakota Utilities Co.
Attn: Market & Sales Support
400 North 4th Street
Bismarck, ND 58501

- If the equipment does not qualify, no incentive will be paid.

Montana-Dakota reserves the right to cancel or modify these programs at any time.

INCENTIVE PAYMENT DETAILS

Incentives will be issued for equipment installed between January 1 and December 31 of the plan year only. Montana-Dakota issues incentive payments in the form of checks, not utility bill credits. Montana-Dakota is not responsible if the contractor does not provide accurate information about the amount of rebate or equipment eligibility. Allow 4-6 weeks for incentive processing.
