## **PROGRAM TERMS & CONDITIONS:**

### **QUALIFICATIONS**

The qualifying equipment must be installed in a Montana residence served with electricity from Montana-Dakota Utilities Co. (Montana-Dakota). The residence must be served under Montana-Dakota's Residential service rates 10, 11 or 16. Montana-Dakota uses ENERGY STAR® listings to determine eligibility of the equipment. You can access this information at [www.energystar.gov](http://www.energystar.gov). Dealers are not eligible to receive their customer's incentive. Equipment installed under warranty replacement does not qualify for the incentive payment.

- **ENERGY STAR rated Electric Central Air Conditioner:** Incentive applies to the replacement of an existing efficiency (10 SEER rating or less) electric central air conditioner with an ENERGY STAR® rated (15 SEER and 12.5 EER rating or greater) electric central air conditioner.
- **ENERGY STAR rated Refrigerators:** Incentive applies to the purchase and installation of an ENERGY STAR® rated refrigerator and is limited to one refrigerator per residential electric account.
- **ENERGY STAR rated Freezers:** Incentive applies to the purchase and installation of an ENERGY STAR® rated freezer and is limited to one freezer per residential electric account.

### **APPLICATION REQUIREMENTS**

The incentive application must be completely filled out with the purchaser information, equipment information (including a sales invoice/receipt with the brand, model number, serial number and installation date) and dealer information. Montana-Dakota is unable to accept applications that do not include all of this information. It is the responsibility of the dealer and purchaser to ensure that the installed equipment qualifies for the incentive. If it does not qualify, no incentive will be paid.

**Montana-Dakota reserves the right to cancel or modify these programs at any time.**

### **INCENTIVE PAYMENT DETAILS**

Montana-Dakota issues incentive payments in the form of checks, not utility bill credits.
