## OPTIONS THAT FIT YOUR LIFESTYLE

### Online Account Services

*Go paperless*

**eBill & ePayment:** Register for Online Account Services and select eBill as your bill delivery method. You'll receive a notification when your bill is ready to view. Then, login and submit an ePayment through your online account using funds from your checking account. It's quick, easy, and environmentally friendly.

### AutoPay Plan

*It's automatic!*

Take advantage of Montana-Dakota's free automatic payment plan. Your preauthorized payment will be withdrawn from your checking account each month on your bill's due date. Get more information or enroll by logging into your account and completing the online form at [www.montana-dakota.com](http://www.montana-dakota.com).

### Balanced Billing

*Levelize payments*

Balanced Billing takes the guesswork out of budgeting and levels out your monthly Montana-Dakota bill to reduce fluctuations brought on by changes in the weather and price of energy.

Your monthly bill is computed by taking an average of your natural gas and/or electric usage during the previous 11 months and the current month's usage. Current energy rates are then applied to this average monthly usage to calculate the current payment due.

### Credit/Debit Card Payments

*Paymentus®*

Make payments using your credit card, debit card, or electronic check through Paymentus®. Payments on Venmo, Amazon Pay, Apple Pay, Google Pay, Pay Pal, and Pay Pal Credit are also available. Call **833-425-1698** to pay by phone, or follow the link on the Payment Options page of our website to pay online.

Certain card restrictions apply. You must provide your 11-digit account number when paying. There is a \$1.89 fee per transaction for this independent service.
