South Dakota Residential Rebates

South Dakota Residential Rebates

Montana-Dakota Utilities is offering residential natural gas customers an energy-saving rebate when you purchase and install an Energy Star®-rated natural gas furnace or programmable setback thermostat.

Residential Natural Gas Programs

Available to Montana-Dakota's natural gas customers

Heating

95%+ AFUE Furnace

Tier 1* Thermostat

Tier 2** Thermostat

Home builders are eligible to receive the 95%+ AFUE natural gas furnace rebate (limit of 25 furnace rebates per calendar year).

* Tier 1 thermostat is defined as having at least 4 programmable periods/day and a separate program schedule for the work week vs. the weekend. To qualify, the tier 1 thermostat must be purchased and installed by a heating contractor with a new high efficiency furnace.

** Tier 2 thermostat is defined as being a communicating Wi-Fi connected thermostat with customer access to set points and schedule from anywhere with a smart device. The tier 2 thermostat does not require contractor installation nor the purchase of a qualifying new high efficiency furnace.

Rebate

\$ 300

\$ 15

\$ 60

Residential Energy Audit

Residential natural gas customers are eligible to receive an energy audit performed on their home for a cost of \$50. Energy audits are limited and granted in the order in which applications are received.

For more information on how to save money and receive your rebate, visit www.montana-dakota.com or call 1-800-638-3278.
