

Heating Assistance

is available to make ends easier to meet.

(LIEAP) This program is funded by the Federal Government and is administered through the Department of Health and Human Services. The awards are based on your previous 12 months' gross income, type of fuel used, and the size, type & location of your home. If your household receives benefits from Supplemental Security Income (SSI) or the Temporary Assistance to Needy Families (TANF) program, you may qualify automatically for weatherization or fuel assistance.

Montana-Dakota Utilities Co. encourages you to complete your application today for the federal energy assistance program so you can start receiving your benefits this heating season to cover fuel costs incurred from October 1, 2019 through April 30, 2020.

Starting on October 1 you can download the application form from the Montana.gov website <http://dphhs.mt.gov/hcsd/energyassistance.aspx> or go to: montana-dakota.com/customer-service/low-income-assistance-program/assistance-for-montana-customers.

Complete the form now and submit it to the District VII HRDC office or the Action for Eastern Montana office serving your community.
