Montana Residential Rebates

Montana Residential Rebates

Montana-Dakota Utilities Co. has conservation rebates available to its Montana residential natural gas customers. Not only will this put money back in your pocket, but you will save more money because you will use less energy.

Residential Natural Gas Programs

Available to Montana-Dakota's natural gas customers

Heating

95%+ AFUE Furnace (replacement only)

Rebate

\$ 300

Programmable Setback Thermostats

Tier 1* Thermostat

Rebate

\$ 15

Tier 2** Thermostat

\$ 60

* Tier 1 thermostat is defined as having at least 4 programmable periods/day and a separate program schedule for the work week vs. the weekend. To qualify, the tier 1 thermostat must be purchased and installed by a heating contractor with a new high efficiency furnace or boiler.

** Tier 2 thermostat is defined as being a communicating Wi-Fi connected thermostat with customer access to set points and schedule from anywhere with a smart device. The tier 2 thermostat does not require contractor installation nor the purchase of a qualifying new high efficiency furnace or boiler.

For more information on how to save money and receive your rebate, visit www.montana-dakota.com or call 800-638-3278.
