Payment Options That Fit Your Lifestyle

Online Account Services

GO PAPERLESS

eBill & ePayment: Register for Online Account Services and select eBill as your bill delivery method. You'll receive a notification when your bill is ready to view. Then, login and submit an ePayment through your online account using funds from your checking account. It's *quick, easy, and environmentally friendly*.

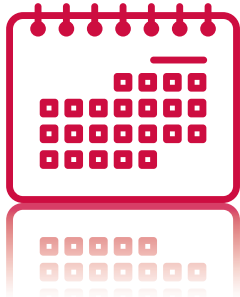

AutoPay Plan

IT'S AUTOMATIC!

Take advantage of Montana-Dakota's free automatic payment plan. Your preauthorized payment will be withdrawn from your checking account each month on your bill's due date. Get more information at www.montana-dakota.com, or enroll by logging into your account and completing the online form.

Balanced Billing

LEVELIZE YOUR PAYMENTS

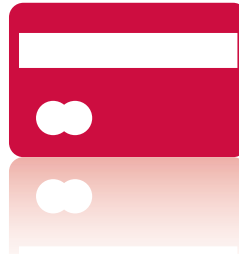

Balanced Billing takes the guesswork out of budgeting and levels out your monthly Montana-Dakota bill so you can reduce fluctuations brought on by changes in the weather and price of energy.

Your monthly bill is computed by taking an average of your natural gas and/or electric usage during the previous 11 months and the current month's usage. Current energy rates are then applied to this average monthly usage to calculate the current payment due.
