NOTICE TO ELECTRIC CUSTOMERS LOCATED INSIDE THE CITY LIMITS OF RANCHESTER

Montana-Dakota Utilities Co. (Montana-Dakota) is advising you that the City of Ranchester Electric Franchise Fee is increasing by 1% on November 1, 2026. This increase is pursuant to the City of Ranchester Ordinance which requires Montana-Dakota to collect an amount equal to 5% of the Company's Gross Revenues, effective November 1, 2026 for the privilege of operating under a franchise for conducting electric operations within the city limits of Ranchester.

Montana-Dakota's tariff on file with the Wyoming Public Service Commission allows this franchise fee to be added to the electric service bills of those customers located within the corporate limits of Ranchester. Effective with this increase, Montana-Dakota will now collect a total of 5% with 1% being collected through the Company's electric rates and the remaining 4% collected through the City of Ranchester Electric Franchise Fee. The franchise fee will be shown as a separate line item on your bill. The franchise fee will remain effective through the term of the franchise.

For further information, the rates, rules and regulations are on file at Montana-Dakota's Sheridan office, online at www.montana-dakota.com or by contacting Montana-Dakota at 1-800-638-3278.
