

# Montana-Dakota Utilities Co. Annual Update to the Renewable Resource Cost Adjustment

Effective April 17, 2018

On February 23, 2018, Montana-Dakota Utilities Co. (Montana-Dakota) filed an application with the North Dakota Public Service Commission (Commission) to update its Renewable Resource Cost Adjustment (RRCA). The RRCA rate update includes North Dakota's allocation of the Company's investments in Montana-Dakota's three wind facilities (Diamond Willow, Cedar Hills, and Thunder Spirit) currently not being recovered through the Company's electric service rates and the amortization of the over-recovered RRCA balance through 2017.

On April 11, 2018 the Commission approved Montana-Dakota's RRCA rates effective with service rendered on and after April 17, 2018. A typical residential customer using 894 Kwh will see a decrease of \$0.31 per month. The Renewable Resource Adjustment is shown as a separate line item on your bill.

## RESIDENTIAL & SMALL GENERAL

# Montana-Dakota Utilities Co. Annual Update to the Generation Resource Recovery Rider

Effective April 17, 2018

On November 27, 2017 Montana-Dakota Utilities Co. (Montana-Dakota) filed an application with the North Dakota Public Service Commission (Commission) to update its Generation Resource Recovery Rider (Generation Rider). The Generation Rider update includes North Dakota's allocation of the Company's ongoing generation investments in its Reciprocating Internal Combustion Engines (RICE) units at its Lewis & Clark Generation Station that are not being recovered through the Company's electric rates and the continued amortization of the under recovered balance through 2016. On February 23, 2018, Montana-Dakota filed an update to the Company's Generation Rider application to incorporate the effect of the Tax Cuts and Jobs Act of 2017 on the proposed Generation Rider rates.

On April 11, 2018 the Commission approved Montana-Dakota's Generation Rider rates effective with service rendered on and after April 17, 2018. A typical residential customer using 894 Kwh will see a decrease of \$0.30 per month. The Generation Rider is shown as a separate line item on your bill.

## RESIDENTIAL & SMALL GENERAL
