GENERAL TERMS AND CONDITIONS:

1. When service is not metered, a customer's monthly bill shall be computed based on the daily usage of a light multiplied by the number of days in a billing period. A light's daily use reflects the light's specifications and 4,000 hours of operation annually.
2. Applicable to Company-owned facilities:
 - a. The Company will install, own and operate the flood light(s), and yardlight(s) including a suitable reflector, bracket for mounting and automatic device to control operating hours set to operate from dusk to dawn.
 - b. The light may be mounted on existing poles owned or controlled by the Company or on a pole owned by the customer or other mounting point suitable for installation of the light. The conductors will be extended 100 feet per unit free of charge, but the customer shall pay for the extra cost of extensions of more than 100 feet per unit.
 - c. For Company-owned facilities, a monthly rental charge shall be rendered for each unit installed in addition to the energy charge. The customer should consult with the Company for such costs.
 - d. The Company will maintain the Company-installed and owned facilities when noticed by Company personnel or when notified by the customer that they are burned out except when the facilities are damaged or destroyed by vandalism, malicious mischief, or willful negligence. In case of vandalism, malicious mischief, or willful negligence, the Company may charge the customer for the cost of repair and replacement.
3. The foregoing schedule is subject to Rates 100-125 and any amendments or alterations thereto or additional rules and regulations promulgated by the Company under the laws of the state.
