RENEWABLE ENERGY RIDER PILOT Rate 15

Page 1 of 2

AVAILABILITY:

In all communities served by the Company in the State of Wyoming. The Renewable Energy Rider is available on an optional basis to customers receiving service under the Company's Electric Service Rate Schedules.

CHARGE PER BLOCK:

One (1) Block: \$0.04 per month

One Block equals 100 Kwh of Renewable Energy Credit purchases.

MONTHLY BILL:

The Monthly Bill shall be the number of Blocks the customer has agreed to purchase multiplied by the Charge per Block. The Monthly Bill is in addition to all other charges contained in the customer's applicable rate schedule. The Monthly Bill shall be applied to the customer's billing regardless of actual energy consumption.

RENEWABLE ENERGY CREDIT:

A Renewable Energy Credit represents the intangible environmental attributes associated with producing one MWh of electricity from a renewable resource such as wind, solar or biomass. The Company will purchase Renewable Energy Credits as needed to match the number of Blocks purchased under this rate schedule. One Renewable Energy Credit equals 1,000 Kwh (1 MWh) of electricity from a renewable resource. Each Block is equivalent to one-tenth (1/10) of a Renewable Energy Credit.

GENERAL TERMS AND CONDITIONS:

1. Customers may apply for this rate any time during the year.
2. The Company will purchase Renewable Energy Credits to match purchases under this rate schedule. Due to timing differences, the purchase of Renewable Energy Credits may not directly correspond to customer purchases in an individual 12 month period.

3. All funds collected and expenses associated with this program will be separately identified and tracked. Interest shall be credited in the case of net over collections at one-twelfth of the Commission's Authorized Interest Rate specified in accordance with Chapter 1, Section 2(a)(xv) of the Wyoming Public Service Commission's Rules. The Charge per Block is subject to change on an annual basis.
4. The commitment to purchase Blocks under this Rider will be for a minimum of a one year period and will continue on a monthly basis thereafter until the customer provides notice to either change or end participation. Requests for early withdrawal due to extenuating circumstances will be considered.
5. This Renewable Energy Rider Pilot continues for five years from Commission approval of Docket No. 20004-108-ET-14. At the end of the pilot period the Company, based on customer participation levels, reserves the right to request the Commission approve the Program on a permanent basis or request to withdraw the Program. If the Program is withdrawn, any over collections will be refunded or under collections added to the customers' next bill for those participants on record at the time the Company's Application to discontinue the Program is filed with the Commission. The amount of over collections or under collections will be allocated to each customer based on the number of Blocks applicable to each customer. The Company will no longer accept new enrollees coincident with the Company's application to withdraw the Program.
