FIRM GAS SERVICE EXTENSION POLICY Rate 120

Page 1 of 7

The policy of Montana-Dakota Utilities Co. for gas extensions necessary to provide firm sales or firm transportation service to customers is as follows:

A. General Rules Applicable to all Firm Service Extensions

1. An extension will be constructed without a contribution if the estimated capital expenditure is cost justified as defined in Paragraph B.
2. The Company may require customer or developer cost participation if the estimated capital expenditure is not cost justified as specified in Paragraph B.
3. The extension will be considered cost justified if the calculated Maximum Allowable Investment equals or exceeds the estimated capital expenditure using the following formula:

Maximum Allowable Investment =

$$\frac{\text{(Annual Basic Service Charge + (Project Estimated Annual Dk x Distribution Delivery Charge))}}{\text{Levelized Annual Revenue Requirement Factor}}$$

Levelized Annual Revenue Requirement Factor is defined as the annual rate required to recover the present value of a project over the life of a project. The Levelized Annual Revenue Requirement Factor – 19.954%

4. Cost of the extension shall include the gas main extension(s), valves, service line(s), cathodic protection equipment, any required payments made by the Company to the transmission pipeline company to accommodate the extension(s), and other costs excluding the distribution meter and regulator.

The service line is that portion of the gas service extending from the gas main to the connection at the house regulator and/or meter.

5. Where cost participation is required, such extension is subject to execution of the Company's standard agreement for extensions by the customer or the developer and Company.
6. A refund will be made in accordance with §B.2. a-c as required within a five-year period from the extension(s) in service date. Interest will be calculated annually by the Company on any refund amounts and shall be equal to the interest rate applicable to customer deposits as established in Chapter 1, Section 2(a)(xv) of the Wyoming Public Service Commission's Rules.

No refund shall be made by Company after the five-year refund period and in no case shall the refund excluding interest, exceed the amount of the contribution.

7. The Company reserves the right to charge customer the cost associated with providing service to customer if service is not initiated within 12 months of such installation.

B. Customer Extensions

Cost participation for extensions where customers will be immediately available for service is as follows:

1. Contribution –
 - a. When a contribution is required, the customer(s) shall pay the Company the portion of the capital expenditure exceeding the footage allowance or Maximum Allowable Investment as determined in accordance with Paragraph B.
 - b. The contribution shall be made by:
 - i. A one-time payment prior to construction, or

- ii. Payment of 25% of the contribution prior to construction and the balance in no more than twenty-four equal monthly installments. If customer discontinues service within the twenty-four month period, the balance will be due and payable upon discontinuance of service, or
 - iii. Customer may post a bond, irrevocable letter of credit, or a written guarantee commitment in the amount of the required contribution prior to construction. Such bond, issued by a bonding company authorized to do business in the state, letter of credit, or written guarantee commitment, shall be effective for the original five-year term and is subject to approval and acceptance by the Company. If at the end of the original five-year term, a contribution requirement exists in the subject project based on a recalculated maximum expenditure, the surety or guarantor shall reimburse the Company for such recalculated contribution requirement, or
 - iv. Customer, upon approval by Company, may finance with the Company the amount of the required contribution subject to the following conditions: 1) maximum contribution to be financed shall be determined by the Company at its sole discretion, 2) maximum term shall be five years, 3) interest will be charged at the Company's current cost of debt determined at the time of construction.
- c. Upon completion of construction, the contribution amount will be adjusted to reflect actual footage or installed costs, and an additional charge may be levied or a refund may be made.
 - d. If within the five-year period from the extension(s) in service date, the number of active customers and/or related volumes exceeds the projections, the Company shall recompute the contribution requirement.

- e. The recalculated contribution requirement shall be collected from the new applicant(s).
- 2. Refund -
 - a. The Company will refund to the original contributor(s) the amount required to reduce their contribution to the recalculated contribution requirement as defined in Paragraph 1.d. and 1.e. above. No refunds will be made for amounts less than \$25. Customers who have posted a bond, letter of credit, or written guarantee commitment will be notified of any reduction in surety or guarantee requirements.
 - b. No refunds will be made until the new applicants begin taking service from the Company.
 - c. If the addition of new customers will increase the contribution required from existing customer(s), the extension will be considered a new extension and treated separately.
- 3. Incremental Extension Surcharge -
 - a. The Company, in its sole discretion, may offer an Incremental Extension Surcharge (Surcharge) to groups of customers requesting service totaling 10 or more when the total estimated cost would otherwise have been prohibitive under the Company's present rates and gas service extension policy. The contribution requirement to be collected under the Surcharge shall be the amount of the capital expenditure in excess of the Maximum Allowable Investment determined in accordance with Paragraph A.3.
 - i. A minimum up-front payment of \$100.00 will be collected from each customer who signs an agreement to participate in the expansion.

- ii. For projects that are expected to be recovered within a 5-year period, the Surcharge shall be set at a fixed monthly charge of \$5.00 per month plus \$1.50 per dk.
- iii. For projects that are not expected to be recovered within a 5-year period, the Surcharge shall be set at a fixed monthly charge of \$5.00 per month plus a volumetric surcharge designed to provide recovery of the contribution requirement in a 5-year period.
- b. The Surcharge shall remain in effect until the net present value of the contribution requirement, calculated using a discount rate equal to the overall rate of return authorized in the last rate case, is collected.
- c. The Surcharge shall apply to all customers connecting to natural gas service within the extension area until the contribution requirement is satisfied.
- d. The net present value of the Surcharge will be treated as a contribution-in-aid of construction for accounting purposes.

C. Developer Extensions

Cost participation may be required for extensions such as a subdivision or mobile home court, in which a developer is installing roads, utilities, etc., before housing is built.

- 1. Contribution –
 - a. When a contribution is required, the developer shall pay the Company the portion of the capital expenditure exceeding the Maximum Allowable Investment as determined in accordance with Paragraph B.2.

 - c. Upon completion of construction, the contribution amount will be adjusted to reflect actual installed costs, and an additional charge may be levied or a refund may be made.
2. Refund -
- a. If within the five-year period from the extension(s) in service date, the number of active customers and related volumes exceeds the projections, the Company shall recompute the contribution requirement by recalculating the Maximum Allowable Investment. Such recalculation shall be done annually based upon the anniversary of the extension(s) in service date.
