General Terms and Conditions:

1. **CRITERIA FOR SERVICE** - In order to receive the service, the customer must qualify under one of the Company's applicable natural gas transportation service rates and comply with the general terms and conditions of the service provided herein. The customer is responsible for making all arrangements for transporting the gas from its source to the Company's interconnection with the delivering pipeline(s).
2. **REQUEST FOR GAS TRANSPORTATION SERVICE** - To qualify for gas transportation service a customer must request the service pursuant to the provisions set forth herein. The service shall be provided only to the extent that the Company's existing operating capacity permits.
3. **MULTIPLE SERVICES THROUGH ONE METER:**
 - a. In the event the customer desires firm sales service in addition to gas transportation service, the customer shall request such firm volume requirements, and upon approval by Company, such firm volume requirements shall be set forth in a firm service agreement. For billing purposes, the level of volumes so specified or the actual volume used, whichever is lower, shall be billed at Rate 70. Volumes delivered in excess of such firm volumes shall be billed at the applicable gas transportation rate. The customer has the option to install, at their

expense, piping necessary for separate measurement of sales and transportation volumes.

- b. The customer shall pay, in addition to charges specified in the applicable gas transportation rate schedule, charges under all other applicable rate schedules for any service in addition to that provided herein (irrespective of whether the customer receives only gas transportation service in any billing period).
4. **PRIORITY OF SERVICE** – The Company shall have the right to curtail or interrupt deliveries without being required to give previous notice of intention to curtail or interrupt, whenever, in its judgment, it may be necessary to do so to protect the interest of its customers whose capacity requirements are otherwise and hereby given preference. The priority of service and allocation of capacity shall be accomplished in accordance with General Terms and Conditions, §V. Paragraph 11 of Conditions of Service Rate 100.
 5. **PENALTY FOR FAILURE TO CURTAIL OR INTERRUPT** - If the customer fails to curtail or interrupt their use of gas hereunder when requested to do so by the Company, any gas taken above that received on the customer's behalf, shall be billed at the Firm General Gas Service Rate 70 (distribution delivery charge and cost of gas), plus either an amount equal to any penalty payments or overrun charges the Company is required to make to its interconnecting pipeline(s) under the terms of its contract(s) as a result of such failure to curtail or interrupt, or \$50.00 per dk of gas used in excess of the volume of gas to which the customer was requested to curtail or interrupt, whichever amount is greater.

The Company, in its discretion, may shut off the customer's supply of gas in the event of the customer's failure to curtail or interrupt use of gas when requested to do so by the Company.
 6. **CUSTOMER USE OF NON-DELIVERED VOLUMES** - In the event the customer's gas is not being delivered to the receipt point for any reason and the customer continues to take gas, the customer shall be subject to any

applicable penalties or charges set forth in Paragraph 5. Gas volumes supplied by Company will be billed at Firm General Service Rate 70 (distribution delivery and cost of gas). The Company is under no obligation to notify customer of non-delivered volumes.

7. REPLACEMENT OR SUPPLEMENTAL SALES SERVICE - In the event the customer's transportation volumes are not available for any reason, the customer may take interruptible sales service if such service is available. The availability of interruptible sales service shall be determined at the sole discretion of the Company.
8. ELECTION OF SERVICE:
 - a. Prior to the initiation of service hereunder, the customer shall make an election of its requirements under each applicable rate schedule for the entire term of service. If mutually agreed to by the Company and the customer, the term of service may be amended. Upon expiration of service, the customer may apply for and receive, at the sole discretion of the Company, gas service under the appropriate sales rate schedule for the customer's operations.
 - b. Transportation customers who cease service and then resume service within the succeeding 12 months shall be subject to a reconnection charge as specified in Rate 100, General Terms and Conditions, §V. Paragraph 19.
9. DAILY IMBALANCE:
 - a. To the extent practicable, the customer and the Company agree to the daily balancing of volumes of gas received and delivered on a thermal basis. Such balancing is subject to the customer's request and the Company's discretion to vary scheduled receipts and deliveries within existing Company operating limitations
 - b. In the event that the deviation between scheduled daily volumes and actual daily volumes of gas used by the customer causes the Company to incur any additional costs from its interconnecting pipeline(s), the

customer shall be solely responsible for all such penalties, fines, fees or costs incurred. If more than one customer has caused the Company to incur these additional costs, all costs (excluding those associated with Company's firm deliveries) will be prorated to each customer based on the customer's over – or – undertake as a percentage of the total.

- c. The Company may waive any penalty associated with Company adjustments to end-use customer nominations in those instances where the Company, due to operating limitations, is required to adjust end-use transportation customer nominations and such Company adjustments create a penalty situation, or preclude a customer from correcting an imbalance which results in a penalty.

10. MONTHLY IMBALANCE – The customer's monthly imbalance is the difference between the amount of gas received by the Company on the customer's behalf and the customer's actual metered use. Monthly imbalances will not be carried forward to the next calendar month.

- a. Undertake Purchase Payment – If the monthly imbalance is due to more gas delivered on the customer's behalf than the actual volumes used, the Company shall pay the customer an Undertake Purchased Payment in accordance with the following schedule:

% Monthly Imbalance	Undertake Purchase Rate
0 – 5%	100% Cash-out Mechanism
> 5 – 10%	85% Cash-out Mechanism
> 10 – 15%	70% Cash-out Mechanism
> 15 – 20%	60% Cash-out Mechanism
> 20%	50% Cash-out Mechanism

Where the Cash-out Mechanism is equal to the lesser of the Company's WACOG or the Index Price, as defined in Paragraph 10(c).

- b. Overtake Charge – If the monthly imbalance is due to more gas actually used by the customer than volumes delivered on their behalf, the customer shall pay the Company an Overtake Charge in accordance with the following schedule:

% Monthly Imbalance	Overtake Charge Rate
0 – 5%	100% Cash-in Mechanism
> 5 – 10%	115% Cash-in Mechanism
> 10 – 15%	130% Cash-in Mechanism

> 20%	150% Cash-in Mechanism

Where the Cash-in Mechanism is equal to the greater of the Company’s WACOG or the Index Price, as defined in Paragraph 10(c).

- c. The Index Price shall be the arithmetic average of the “Weekly Weighted Averages Prices” published by Gas Daily for CIG Rockies and Northern Ventura during the given month. The Company’s WACOG (Weighted Average Cost of Gas) includes the commodity cost of gas and applicable transportation charges including the fuel cost of transportation.

11. METERING REQUIREMENTS:

- a. Remote data acquisition equipment (telemetry equipment) required by the Company for a single customer installation for daily measurement will be purchased and installed by the Company prior to the initiation of service hereunder.
- b. The customer may be required, upon consultation with the Company, to contribute towards additional metering equipment necessary for daily measurement by the Company, depending on the location of the customer to the Company’s network facilities. Enhancements and/or modifications to these services may be required to ensure equipment functionality. Such enhancements or modifications shall be completed at

the direction of the Company with all associated costs the customer's responsibility. Any interruption in such services must be promptly remedied or service under this tariff will be suspended until satisfactory corrections have been made.

- c. Consultation between the customer and the Company regarding telemetering requirements shall occur prior to execution of the required service agreement.

12. DAILY NOMINATION REQUIREMENTS:

- a. The customer or the customer's shipper or agent shall advise the Gas Supply Department, via the Company's Electronic Bulletin Board in accordance with FERC timelines, of the dk requirements the customer has requested to be delivered at each delivery point the following day. The customer's daily nomination shall be its best estimate of the expected utilization for the gas day. Unless other arrangements are made, the customer will be required to nominate for the non-business days involved prior to weekends and holidays.
- b. All nominations should include shipper and/or agent defined begin and end dates. Shippers and/or agents may nominate for periods longer than 1 day, provided the nomination begin and end dates are within the term of the service agreement.
- c. The Company has the sole right to refuse receipt of any volumes which exceed the maximum daily contract quantity and at no time shall the Company be required to accept quantities of gas for the customer in excess of the quantities of gas to be delivered to the customer.
- d. At no time shall the Company have the responsibility to deliver gas in excess of the customer's nomination.

- 13. WARRANTY - The customer, the customer's agent, or the customer's shipper warrants that it will have title to all gas it tenders or causes to be tendered to
