PROGRAM TERMS & CONDITIONS:

QUALIFICATIONS

- The qualifying equipment must be installed in a South Dakota residence that is served with or converting to Natural Gas from Montana-Dakota Utilities Co. (Montana-Dakota). The residence must be served under Montana-Dakota's Residential service rate 60.
- Montana-Dakota uses the Air-Conditioning, Heating and Refrigeration Institute (AHRI) to determine equipment efficiency ratings. You can access the AHRI web site at www.ahridirectory.org.
- Dealers are not eligible to receive their customer's incentive.
- Furnaces with an AFUE of 95% or greater are eligible for the incentive if they are a replacement, fuel conversion or new construction installation.
- Home builders are eligible to receive incentives on qualifying equipment installed in new homes. Home builders are limited to a maximum of 25 incentives per calendar year.
- Equipment installed under warranty replacement does not qualify for the incentive payment.
- Tier 1 programmable thermostat - must have at least 4 programmable periods per day (i.e. wake, leave, return & sleep) and allow a separate program schedule for the work week vs. the weekend (i.e. 5-1-1 or 5-2 day programmable).
- Tier 2 programmable thermostat – must be a communicating Wi-Fi connected thermostat with customer access to set points and schedule from anywhere with a smart device.
- The thermostat incentive is limited to two units per residential natural gas account, if the home has multiple heating systems or zoned heating.

APPLICATION REQUIREMENTS

- Incentive applications must be submitted within 90 days of the installation date.
- Incentive application must be completely filled out with the purchaser information, equipment information (including brand, model number, serial number, installation date and AFUE rating) and dealer information.
- Include a **copy of the dealer sales invoice** showing the brand, model number, serial number and installation date.
- Montana-Dakota is unable to accept applications that do not include all of this information.
- It is the responsibility of the dealer and purchaser to ensure that the installed equipment qualifies for the incentive.
- If the equipment does not qualify, no incentive will be paid.
- If you have questions about completing this form please call 1-800-638-3278.
- Mail the completed application including all supporting information to:

**Montana-Dakota Utilities Co.
Attn: Marketing Dept.
400 North 4th Street
Bismarck, ND 58501**

INCENTIVE PAYMENT DETAILS

Montana-Dakota issues incentive payments in the form of a check, not utility bill credit. Montana-Dakota is not responsible if the dealer does not provide accurate information about the incentive or equipment eligibility. Allow 4-6 weeks for incentive payment processing.

Incentive qualifications and amounts are subject to change and funding for the program is limited. Completed incentive applications will be processed in the order in which they are received. Incentives will not be paid if funds are depleted prior to December 31 of the plan year.

Montana-Dakota reserves the right to cancel or modify this program at any time.
